COBRA Subsidy Extended to May 31, 2010

On April 15, 2010, the Senate passed HR 4851, the Continuing Extension Act of 2010, which included an extension of the COBRA subsidy. Later, the House approved the bill as well, and President Obama signed the measure late last night.

The bill extends the end of the COBRA subsidy period from March 31, 2010 to May 31, 2010.

Individuals who were terminated on or after April 1, 2010 may need to be sent an updated notice containing subsidy eligibility information. Plans will need to allow late enrollments for individuals who did not receive a subsidy notice previously.

For more information you can contact the US Department of Labor at 1-866-444-EBSA (3272). And, of course, you can always contact us here at Alliant with any questions.
